

Community Park Improvements

South Amherst Community Park

2017

Address:

513 W Main St.
South Amherst, OH 44001

About:

In 2016, South Amherst Community Park extended their existing walking trail to 8/10 of a mile using gravel.

In 2017, using a Healthy Places grant, the park was able to fully pave the trail. Attendance has increased an estimated 15% after the paving.

Additional changes such as the installation of an outdoor water fountain continue to improve the park and keep residents coming back!

- 2016: The park hosted its first annual Corn Hole Tournament
- 2017: The Park hosted a “Fit Walks Summer Series” outdoor walking event

Grantee: South Amherst Community Park
